Date of creation: 2015

Localization: Bosnia and Herzegovina, Banja Luka

Label: None

Communication: English; Serbian/Bosnian/Croatian.

MultiCultus are a five-piece rock band, formed in 2015 and currently stationed in Banja Luka, Bosnia and Herzegovina. Our music usually revolves around progressive rock including elements from other genres such as metal, blues or pop rock, while we're still trying to find our own sound. You can find [more details about the band here](#).

We would like to thank you in advance for your efforts to set up everything we need to have a winning performance and succeed; both us, as artists and you, as our host. To have a better understanding about what kind of sound we seek, please [have a listen to our songs on our website](#).
